

SOUND THE ALARM
Save a Life

Get a free smoke alarm or volunteer to save lives.
Nationally, 7 people die each day in home fires.
Help prevent these needless tragedies!

Home Fire Safety & Free Smoke Alarm Installation Event

February 29, 2020
New Windsor, MD
(443) 297-7247

On Saturday, February 29th, 2020, the American Red Cross of Western Maryland is working in partnership with the New Windsor Volunteer Fire Department to host a “Sound The Alarm” event. While we provide free 10-year smoke detectors year-round for those who request them as part of the Red Cross Home Fire Campaign, Sound The Alarm is a focused event designed to raise awareness of the advantages of home fire preparedness and prevention while also helping as many people as possible in a short time frame.

On that date, we will have several teams of 2-3 volunteers working in and around New Windsor to install **free smoke detectors** in the homes of anyone who needs them, or would like an upgrade to their existing detectors. In addition, we will also brief homeowners on home fire safety and preparedness, with the overall goal of making New Windsor an even safer community.

FREE SMOKE DETECTOR SIGNUP

To schedule a FREE Smoke Detector Installation:

- Call (443) 297-7247 and indicate that you’re participating in the “February 29th New Windsor” Event
- Visit https://volunteerconnection.redcross.org/?nd=vms_public_form&form_id=6838 and in the box asking “Best Time to Reach You?,” enter “For February 29th New Windsor Event”

TO VOLUNTEER

To sign up as an event volunteer for February 29th, go to www.SoundtheAlarm.org and click the button on the left side column for “Find an Event.” Enter Zip Code 21776 for New Windsor. Then select the Shift(s) you’re interested in and complete the registration form!
